Lifetime Price Protection

If you're not satisfied with your price, neither are we. You are guaranteed the lowest price from Integrated Card Service (ICS). Period. If at any time you are approached with lower rates from a legitimate competing merchant service, ICS promises to MATCH if not BEAT the pricing moving forward to keep you processing at the lowest rates. Avoid costly down time and the annoying process to switch providers. We understand the importance of low rates and realize it to be a deciding factor when choosing a provider. Get Peace of Mind from ICS knowing that your business is always fully protected. Do not play the price and rate game ANYMORE. No More Hassles, No More Negotiations. A great service and an even greater price! We look forward to earning your trust and saving you from the rate and price headaches!

For all transactions and services, just show us the ad, even if it's our own, along with your Integrated Card Service account information or receipt, and we'll match or beat the competitors price.
